ANNOUNCEMENT:

NLG-MASS CHAPTER LAWYERS & LAW STUDENTS NEEDED

NLG-Mass Chapter Street Law Clinic project conducts clinics to provide Massachusetts communities with information about their legal rights, with the goal of preparing and empowering them with the knowledge they need to exercise their constitutional rights.

Our flagship program is the "*Know Your Rights-Stop & Search*" legal clinic which provides information about the 4th Amendment rights in encounters with law enforcement.

The clinics are conducted by trained law students and supervised by NLG attorneys.

If you are an NLG attorney or law student, please let us know if you would like to be involved in the project by emailing nlgmassslc@gmail.com.

If you are an activist with an organization that would be interested in hosting our clinic, please reach out to us! We would love to hear from you.
